Agreed 3 ways = HK\$ 33,300
Agreed 2 ways = HK\$ 50,000
Last Man Standing = HK\$ 100,000 prize pool!!

Pay Out:

- When 10 players are reached, they will be asked by secret ballot if they want to split the prize pool.
- If 1 player objects to the split. Play will continue, the decision can't be changed and the player getting eliminated gets 0 in cash.
- This process will continue every time a player is eliminated on the Final Table.
- Tournament ends when all remaining players agree to split the pot or until 1 player is left in the tournament.
- All decisions for the division of the prize pool can only be made right after a player is eliminated, with the exception of Heads Up play. Only at Heads Up play can a deal be struck at anytime.
- All splits must be equal. Prizes rounded down to the nearest HK\$ 100 and excess will go to chip leader.
